Portability Kit

Designed to be used on our cradled units, these portability kits make moving your generator a simple, one-person task.

Covers

Made of tough, 400 denier nylon, this cover protects your generator from weather, dust, and other elements.

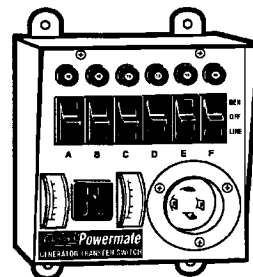

Spark Arresters

Required by U.S. Forest Services and the State of California, these easy-to-install kits capture and filter out exhaust and hot carbon particulates.

Transfer Switches

Operates the emergency circuits in your house from your portable generator.
