

JMF COMPANY

Your Single Source Solution

WHO IS JMF COMPANY?

Founded in 1947, JMF Company has grown to become a respected national brand. We deliver the industry's best products, service and pricing to successful Plumbing and HVAC wholesale customers.

JMF offers more than 12,000 sku's from among the 18 product categories pictured below. Our superior network of international and domestic factories assures that we can efficiently provide you with exceptional products within each of these categories.

THE JMF ADVANTAGE

JMF offers world-class products, industry leading fill rates and knowledgeable customer support. Our customer-driven approach combines a broad product offering with your specific needs. In addition, pricing is tailored to your local competitive market which maximizes your profitability.

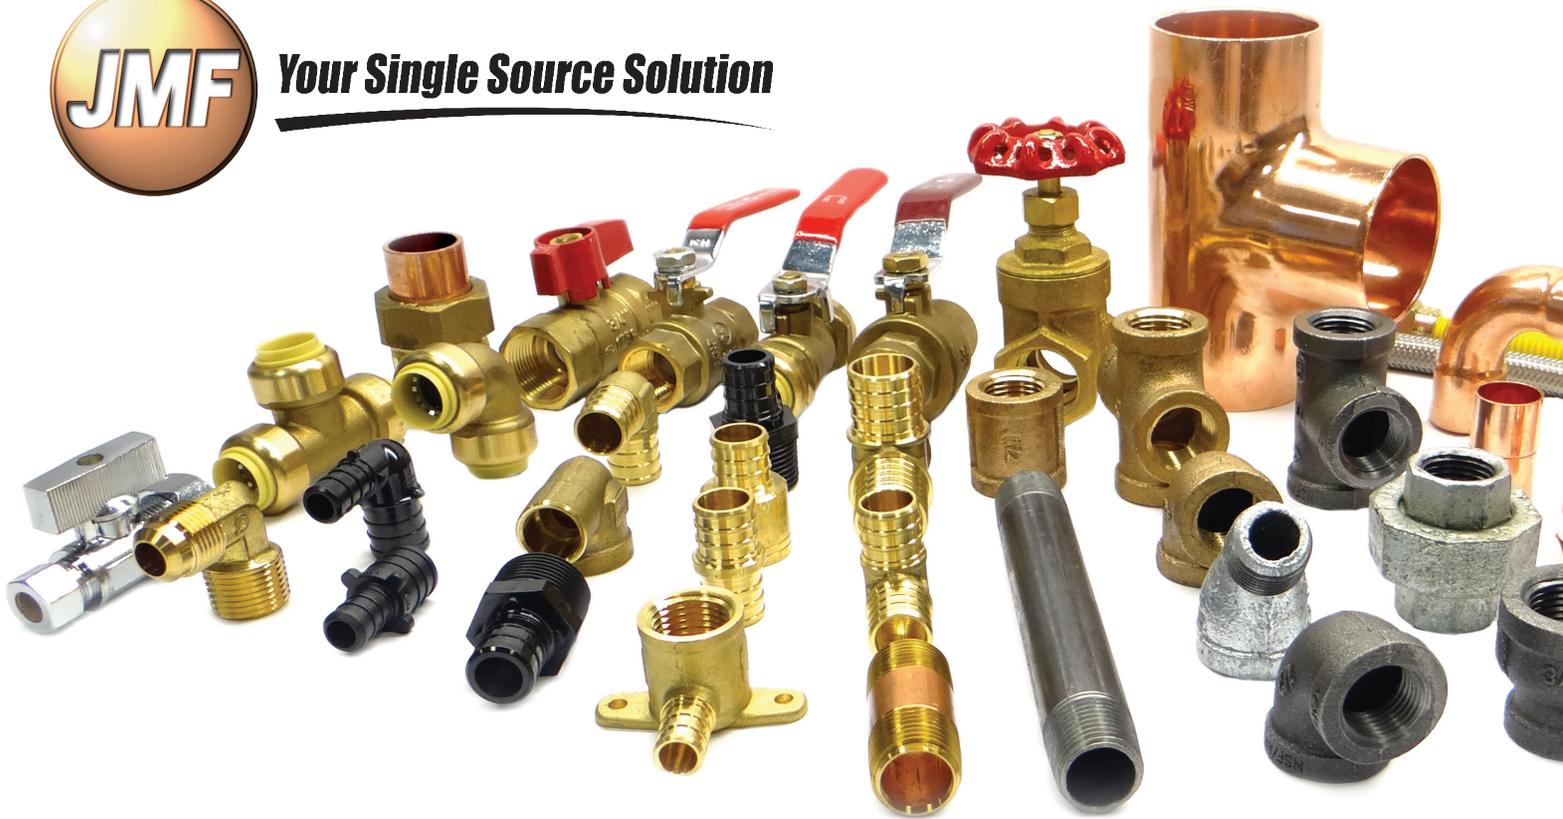

JMF is committed to the success of each wholesale partner. We understand that each customer is unique and it is our mission to provide a strategy that delivers profitable results.

MAKING YOUR JOB EASY

Our sales management team works closely with you to provide solutions that maximize JMF's value proposition through product consolidation. Our industry expertise combined with unprecedented industry fill rates will reduce your inventory and increase your turns. Plus, ordering multiple categories from JMF virtually eliminates your inbound freight expense. Each of these benefits provide you with the most efficient practices to maximize your profitability. You save time with a simplified ordering process, and you save money by sourcing from one trusted supplier.
